

Lancashire School Sailing Association

2021 Water Days Booking Information

You must read the Booking Information sheet before ticking the acceptance box

1. Group Details

- Every group must have a group leader in attendance. The group leader is responsible for the young people when they are not on the water or under instruction by the Lancashire School Sailing Association.
- The on-line booking must be completed by the group leader.

2. Booking Details

- Activity starts at 10am with all off the water by 4pm with the usual all stop for lunch.
- Please note that adults may not get the opportunity to get on the water.
- We MUST be informed if any young person cannot swim at-least 50m.
- We MUST be informed if any young person has a disability or health condition that impairs their ability in any way to listen to instructions or carry out activities without the need for additional support. This is so we can plan to provide appropriate support.
- This event is appropriate for ages between 08 and 18.

3. Membership Details

- All groups in attendance must be group members of or be members of organisations that are group members of the LSSA. If you are not sure, please declare this at the reception on arrival.
- If you are not a group member, by completion and submission of this form, you agree to temporary membership that lasts for the duration of the event.

4. Payment Details

- The fee this year is £13 per participant, for adults not participating on the water, there is no charge, but we ask these to be kept to a minimum. Whilst we appreciate this is a slight increase on previous years, it reflects an increase in our costs and the increased contact time with the water.
- What you book is what you will be expected to pay, this is because places are limited and we will be unable to fill any cancellations. Standard refund policy is no refund with the exception of event cancellation.
- If your group does not have access to BACS payment please call the organiser direct to arrange alternative method e.g. Cheques
- Where the event is cancelled before the weekend the Association will refund any monies paid.

5. Data Protection

- The data provided will be held in-line with the Associations data management policy. The data will be processed for all purposes in relation to the LSSA 2021 Water Days event and the monitoring of association activity. We will hold this data for period not exceeding 3 years from the date of the event.
- By completing this form and submitting it you agree to the processing of the data provided for the purposes mentioned above. Without the requested data you will be unable to attend the event.
- You must provide accurate information.

Important - We will have a COVID risk assessment in place for the event that we can share on request, and should be satisfactory to NYA & sport NGB requirements. Groups and individuals must accept there will be a residue risk element even participating in outdoor Watersports activities at our controlled event.
