All,

With the continuing low water at Spade Mill Reservoir be aware of the following Safety Notices:-

- 1. Paddlesports** - Care to be taken when walking down the reservoir wall, you must assess your groups ability to safely handle craft down to the waters edge, especially in wet conditions.
- 2. Sailing & Power** - All dinghy sailing has been suspended until further notice, with the Hand Winch now removed from service as its test certificate has not been renewed.
